

RECRUITING MASTERS & DOCTORAL STUDENTS AND POSTDOCTORAL FELLOWS

Computer Science at UBC (Okanagan) is seeking motivated, creative, and talented individuals for Masters, Doctorate, and Postdoctoral positions!

**WOULD YOU LIKE TO ATTEND A GRADUATE SCHOOL
IN CANADA?**

HELLO!

Faculty members in Computer Science at the University of British Columbia (Okanagan Campus), Canada, are recruiting students for graduate studies. Availability depends on specific labs, but in general there exist positions for Masters, Doctorate and Post-doctoral students. All trainees will be funded.

If you are interested in using your creativity while pursuing higher education, please contact a faculty member whom you might have interest working with, and include a cover letter, CV, and transcripts. If you have a website, please include the link(s) as well.

Submit today to explore the future: Looking forward to hearing from you!
