

QA Meetup

📅 25 APRIL | 6pm SLST

📍 COLOMBO, SRI LANKA

Date: 25 April 2022

Time: 06:00 PM – 08:00 PM

Venue: Hatch Works, Colombo 1

Registration FREE

The event will be of interest to:

- Students of IT departments
- Beginners and experienced QA specialists dealing with AI and ML

The event will feature the following topics:

AI for Testing

Speaker – Rostislav Yavorski, Head of Research, Exactpro

- Overview of using machine learning and AI tools in software testing
- Recommendation systems for bug reporting
- Anomaly detection in non-functional testing

Testing of AI-based Solutions

Speaker – Iosif Itkin, CEO and co-founder, Exactpro

- Factors impacting the quality of the model training process
- Multicomponent nature and non-deterministic behaviour of AI-based systems under test

The number of participants is limited. Save your spot by registering now and join us on 25 April!
