International Educational and Research Competition "STUDENT OF THE YEAR 2021"

Organizing Committee of the International Educational and Research Competition "STUDENT OF THE YEAR 2021" (<https://sciencen.org/novaja-nauka-konkursy/best-student/>) is inviting students, bachelors, masters, postgraduates, resident surgeons, young researchers from higher education and vocational training institutions to participate in the Competition.

All the additional details may be found in the cover letter attached herewith.

The Embassy would highly appreciate if the Ministry could forward this information to the relevant authorities in Sri Lankan to spread the information among their students.

For your information and necessary action, please. (Ends)

Dear Colleagues!

In order to facilitate the implementation of the "State Youth Policy of the Russian Federation for the Period up to 2025" and the direction "Involving Youth in Innovative Activities and Scientific and Technical Creativity", we invite **students of higher and secondary (vocational) education to take part in the first stage of the International Educational and Research Competition "STUDENT OF THE YEAR 2021"**. The purpose of the Competition is to involve young people in innovative activities and scientific and technical creativity, generalization and dissemination of the achievements and results of youth science.

Organizers of the Competition: Non-profit organization All-Russian Center for the Development of Modern Social Technologies, Educational Initiatives and Cultural Innovations "Breakthrough" and a member of the International Association of Scientific Publishers "Publishers International Linking Association" International Center for Scientific Partnership "New Science".

Research articles of students, bachelors, masters, postgraduates, resident surgeons, young researchers from 5 to 15 pages are accepted for participation in the Competition. **Several people can be the authors of one article.** Form of the Competition: online and offline. Those wishing to take part in the Competition online send only their works (articles) to the Organizing Committee. Those wishing to take part in the Competition offline, in addition to the article, should send a video with a speech presenting the article. The Certificates issues will state that a student participated offline (the fact that a student participated online will not be mentioned in the certificates).

As a result of the Contest, its participants receive:

1. **Publication** of the work (article) in the collection of articles of the Competition "STUDENT OF THE YEAR 2021". The collection receives UDC, LBC, ISBN;
2. **Placement** of the collection and publication of the participant in the Scientific Electronic Library eLIBRARY (Contract No. 467-03 / 2018K);
3. **Free Diploma** (I, II or III degree) by the decision of the editorial board.
Scientific advisers are indicated in the Diplomas;
4. **Free** collection of articles of the "STUDENT OF THE YEAR 2021" Competition (soft copy). The collection is issued within 5 days after the deadline for accepting articles;
5. Assignment of **DOI** - international mandatory digital identifier of a scientific publication (see the terms of participation on the website);
6. Based on the results of the Competition, an extract from the Protocol of consideration and evaluation of competitive works and other documents necessary for reporting (at the request of the participant) are provided.

The nominations of the Contest and the conditions for participation can be found by following the link <https://sciencen.org/navaja-nouka-kankursy/best-student/> or by scanning the QR code at the end of the letter.

Competition works (articles) are accepted until May 19, 2021 (inclusive).

Consultations on participation in the Competition can be obtained by phone. 8 (911) 41-077-47, and email office@sciencen.org.

The Organizing Council of the Competition will be grateful for the dissemination of this information among students and teachers of higher and secondary vocational educational institutions.

Yours faithfully,
Chairman of the organizing council,
T.I. Kolugina
