1. Students shall make themselves be **present at the allocated time slots** to obtain the vaccine. They should ensure that unnecessary crowding does not occur by being present before or after their allocated time.
2. Social distancing must be always maintained as per the health protocols imposed by the Ministry of Health and be followed and maintained at every line.
3. Students who are on long term medication should bring their medical records or declare the medical conditions those they have. In addition to which, any known allergies too should be declared.
4. Students who have already had the infection will be considered for vaccination after the consultation with the University Chief Medical Officer.
5. Students who have already been vaccinated with the first dose of Astrazeneca vaccine **or any other vaccine** cannot be boosted with this vaccine, hence please avoid directing such students to receive this vaccine.
6. A vaccinated person should remain at the premises for a minimum of 20 minutes within the assigned area in close proximity to the vaccination Line to be kept under observation for any allergies/reactions. Please ensure strict adherence with these arrangements.
7. Proper coordination should be maintained by the Administrative staff of each Faculties/Institutes/campus in the allocated time slots to receive their vaccinations via the respective Lines. All arrangements should be made to ensure that the premises will not be crowded at any given time with adherence to the allocated time slots for each faculty/institute/campus located outside the campus premises.
8. The allocated time slots for each group should be informed to the relevant entity in advance by the Administrative officers-in-charge.
9. Necessary letters granting permission to travel to the University from outbound areas should be issued to the students of Faculties/Institutes/campus facilitating them to travel to the lines allocated for vaccination. This should be done by the respective administrative officers-in-charge of the respective faculties/ institute/campus.
10. Support of NOC could be sought by the Administrative officers with regard to providing necessary network connections/devices to the staff members of who are feeding the data as per the needs. In addition to this, Administrative officers are encouraged to delegate a few Managements Assistants from their respective Faculties to inspect and assist in overlooking the procedure.
11. All students of respective Faculties/Institutes/campus should carry their National Identity Card and student identity card and the Administrative officers-in-charge should ensure these are screened at entry.

It is very important that all these details are provided beforehand in order to group the staff accordingly and enable a smooth vaccination process.

Please coordinate with your relevant Administrative officer-in-charge for further information.

Your best cooperation would be much appreciated.

Senior Professor Chandrika N. Wijeyaratne
