Student feedback collection – Semester II, 2021

The Academic & publication division requests your cooperation for the student feedback collection of the 2nd semester, 2021.

You are required to express your honest opinion without writing your name or any other identifying details in the google form. The main purpose of the student feedback collection is to improve the future delivery of the course based on your suggestions / feedback. The forms completed by you will not be effect on grading / marking of the course since it is conducted by the Internal Quality Assurance Cell, UCSC.

Hence, kindly all the students are requested to submit the completed feedback forms **on or before 7th January 2022**.

Note: The relevant google forms are available inside the courses.
